MEMORANDUM FOR: Defense Mapping Agency
Mr. Milton J. Lohr

STAT
FROM:

[Redacted]
Executive Secretary, Intelligence Information
Handling Committee

SUBJECT: Video Disc Report

1. Attached are three copies of BDM's Final Report on Examination of Geographic Data Base Requirements. It provides an historical overview of the GISS/GISWG efforts on defining Intelligence Community requirements for video disc based maps. It provides a basis on which your RFP was written to satisfy these requirements.

2. Copies of your RFP have been hand delivered to the GISS members and Mark Meilleur with instructions to reply to me by COB 19 June 1984. I will have their consolidated input to you on 21 June, as you requested.
